

# Simulation plots - Assignment1

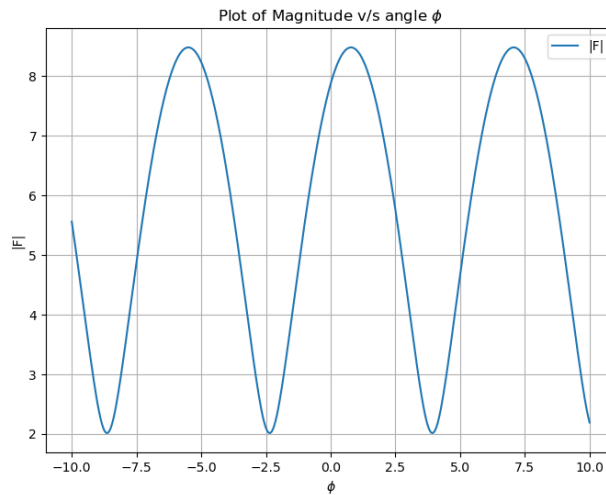

Sai Akhila - EE24BTECH11055

## 1 Introduction

This report includes the simulated graphs for the questions 5(a), 5(b), 6(a) and 6(b).

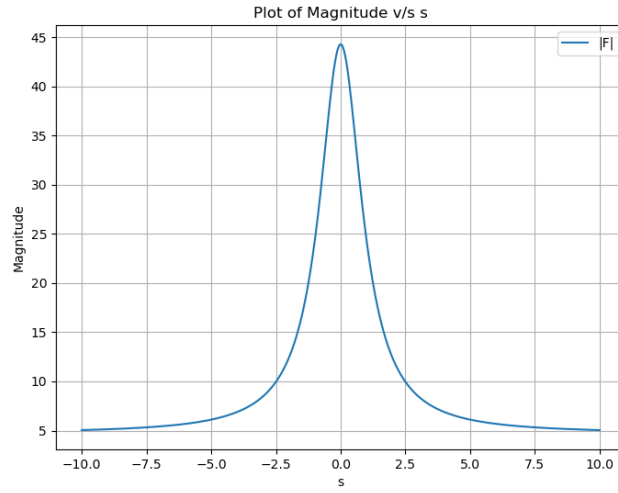

## 2 5(a)- Plot of Magnitude of $\vec{F}$ against $\phi$

The code used for this simulation can be found in "codes/5a.py"

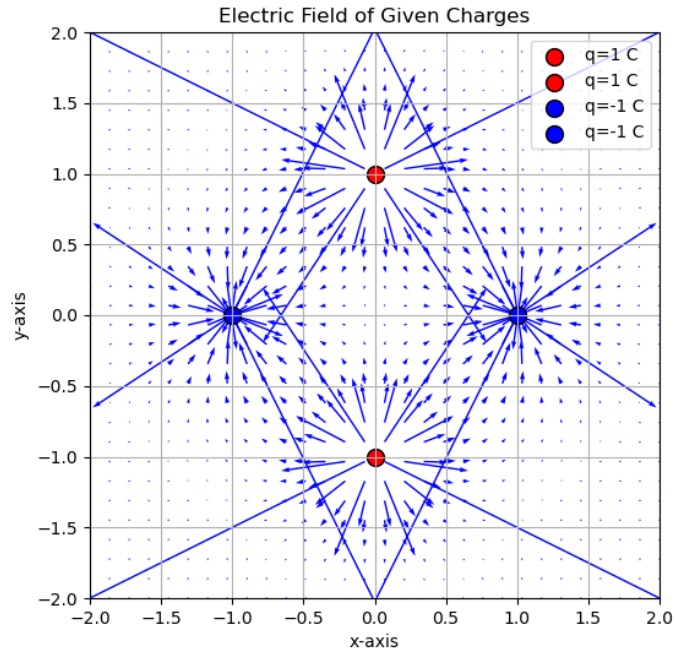

## 3 5(b)- Plot of Magnitude of $\vec{F}$ against s

The code used for this simulation can be found in "codes/5b.py"

## 4 6(a)- Plot of Electric Field

The code used for this simulation can be found in "codes/6a.py"

## 5 6(b)- Plot of Electric Potential(along Z-axis)

The code used for this simulation can be found in "codes/6b.py"
